QUARTERHORSE

Imagine installing a real racetrack in your amusement area. Live horses, live odds, live action. Electro-Sport does just that and more with its new Quarter Horse machine. As real Quarter Horses race live, cheering crowds, stride by stride, you're actually added by the voice of the track announcer. Include the random Double Odds, and you have by far the most exciting, the most advanced, the most entertaining video amusement machine in America.

QUARTER HORSE TRIPLE CROWN

Model 041 – Elegance at its finest. The Sophisticated design of two separate color monitors side by side. The other a 19" Tote Board mounted in chrome plated plinth, all engineered to perfection.

Model 042 – A single 19" Monitor displays both fast paced racing action and the live odds of the Tote Board including the freeze frame photo-finish results of each race, all nicely packaged in an arcade size cabinet.

Model 043 – All the qualities of a Quarter Horse video game in the convenience of an attractive Salon size cabinet.

QUARTERHORSE

Electro-Sport has been manufacturing laser disc amusement games since 1980 and we continue to use this advanced technology in our Triple Crown Quarter Horse video games. What does this mean to you, the purchaser of an Electro-Sport Quarter Horse game? It means security, service and satisfaction. We've been building them stronger, servicing them longer, and are more knowledgeable about the Laser Disc player than any other video game manufacturer. When you purchase a Quarter Horse game, rest assured you'll receive quality, dependability, integrity, and the security of doing business with the long established firm of Electro-Sport Inc.

The First Laser Disc Game In The World!

INTRODUCING THE VIDEO "TRIPLE CROWN"

QUARTER HORSE
